

Online account access made easier!

INET 4.0 has an improved appearance, exciting new features, AND it's easier to use.
With an INET account, you will be able to:

- View balances
- View applied payments
- View invoices
- View statements (new)
- Make payments on your account (new)
- Check inventory
- Check pricing
- Check status of existing orders
- Create your own orders

Go to inet.mentorlumber.com to register for an account – it's FREE**

or click the  logo on www.mentorlumber.com

**Requires a charge account with Mentor Lumber & Supply Co. and account must be kept current. If you already have an INET 2.0 Account, you will need to re-apply for INET 4.0
